

## Assistive Technology Checklist

Directions: Put an "x" or fill in the box before the AT tool(s) that is currently needed to accomplish IEP goal(s) and/or to participate in regular education classes and a "√" in front of the box of the AT tool that will be used by the student on a trial basis.

### Writing

#### **Mechanics of Writing:**

- Pencil/pen with adaptive grip
- Adapted paper (e.g. raised line)
- Slant board
- Typewriter
- Portable word processor
- Computer
- Other: \_\_\_\_\_

#### **Composing Written Material**

- Word card/book/chart
- Pocket dictionary/thesaurus
- Spell checker
- Talking word processor
- Use of pictures with text
- Word prediction
- Webbing software
- Multimedia presentation software
- Other: \_\_\_\_\_

#### **Computer Access**

- Ergonomic support
- Control enhancers (mouthstick, headpointer, handpointer)
- Keyguard
- Key response adaptation (StickyKeys, Slow/FilterKeys)
- Word processing macros
- Alternative mouse (trackball, trackpad, joystick, Tracker)
- Alternate keyboard (expanded, mini, on-screen)
- Word prediction
- Abbreviation Expansion
- Switch with scanning
- Switch with Morse Code
- Voice Recognition
- Other: \_\_\_\_\_

#### **Activities of Daily Living**

##### **Mobility**

- Walker
- Grab rails
- Manual wheelchair
- Powered mobility
- Other: \_\_\_\_\_

##### **Environmental Control**

- Control unit and switch to operate appliances
- FM/Ultrasound/Infrared remote control
- Other: \_\_\_\_\_

### Reading

- Changes in text size, spacing, color, background color
- Page turning adaptations (page fluffers, 3-ring binder)
- Use of pictures with text
- Text-to-speech device to typed and hear pronunciation of challenging words
- Scanner with Optical Character Recognition (OCR) software
- Electronic books
- Other: \_\_\_\_\_

### Math

- Manipulatives/visual aids
- Abacus
- Math Line
- Calculator (with or without printout, onscreen)
- Calculator with large keys or large LCD display
- Talking calculator
- Software for alignment and cueing for computation
- Talking clock, ruler
- Other: \_\_\_\_\_

### Studying

- Text or picture schedule
- Aids to find materials (color coded tabs/folders/clips)
- Highlight text
- Voice output reminders for assignment, steps of tasks
- Tape-recorded instruction/notes
- Software for organization of ideas and studying
- Software for multimedia manipulation of objects/concepts
- Other: \_\_\_\_\_

### Communication

- Eye gaze board/frame
- Object communication board
- Picture communication cards/book/board
- Text communication cards/ book/board
- Gestures/sign language approximations
- Sign language
- Simple voice output communication aid (VOCA) (1-12 digitized messages)
- Digitized voice output device with levels
- Device with icon sequencing & icon prediction
- Device with dynamic communication board display
- Device with word/message set for novel utterances
- Device with speech synthesis for typing
- Other: \_\_\_\_\_
