APPENDIX: SCHOOL BELL SCHEDULE

Pursuant to [Hawaii Revised Statutes Section 302A-251](#), as well as the current Hawaii State Teachers Association (HSTA) collective bargaining agreement, all Hawaii public schools must establish school schedules (including teacher work year, teacher schedule, and bell schedules) that meet student instructional hours and school year requirements. **However, in certain circumstances, a preferred bell schedule may not comply with existing regulations and will therefore require a School Community Council (SCC) waiver, effective for up to one school year.**

This section showcases Kalakaua Middle School current bell schedule(s) and total student instructional hours per year. To ensure the appropriate number of instructional hours and school year requirements are being fulfilled, schools are encouraged to utilize the provided [bell schedule tool](#).

Total student instructional hours per year (Per HRS 302A-251, all public schools, excluding multi-track public schools, shall implement a school year that includes 1,080 student instructional hours)

1080

Did your school submit a SCC Waiver Request Form? Please explain.

Kalakaua Middle School is requesting two (2) waiver days to facilitate professional development, aligned and tied to the changes in curriculum. To maximize effectiveness, it is crucial to provide in-depth PD followed by critical planning time immediately following the training.
