Annual Report on Six-Year Program and Financial Plan for School Repair and Maintenance

December 2023

Section 302A-1504.5, Hawaii Revised Statutes, requires the Hawaii State Department of Education to annually report on the total amount of funds in the School-Level Minor Repairs and Maintenance Special Fund that will carry over to the following school year.

Hawaii State Department of Education
School-Level Minor Repairs and Maintenance Special Fund

Section 302A-1504.5, Hawaii Revised Statutes (HRS), established the School-Level Minor Repair and Maintenance Special Fund into which are deposited all moneys collected pursuant to Section 235-102.5(b), HRS, and any other moneys received by the Hawaii State Department of Education (Department) in the form of grants and donations for school-level improvements and minor repairs and maintenance.

The primary source of special fund revenue is credits authorized by taxpayers deducted from the taxpayer's net income tax liability. This is conducted via the "check-off" box on the State N-11 Individual Income Tax Return form authorizing a donation to the Hawaii Schools Repair and Maintenance Fund.

Section 235-102.5(b), HRS, allows for a voluntary \$2 state income tax refund per taxpayer for school-level minor repairs and maintenance. Designated funds are transferred to the Hawaii 3R's school improvement fund. Hawaii 3R's expends money from their fund for the improvement of public schools and the benefit of students. The fund was founded in 2001 by the late U.S. Senator Daniel K. Inouye to leverage sweat equity provided by volunteer help, along with cash donations, to address the repair and maintenance backlog facing Hawaii's public schools.

Section 302A-1504.5, HRS, requires the Department to annually report to the Director of Finance and the Legislature the total amount of funds in the School-Level Minor Repairs and Maintenance Special Fund that will carry over to the following school year.

No funds were carried over from fiscal year 2021-22 to fiscal year 2022-23.
