**29 AUG 2024**

Office of the Garrison Commander

To the Army Families of Hawai'i:

You can help our Hawai'i public schools by completing the attached Federal Survey Card and returning it to your child's school tomorrow or at your earliest convenience. Please ensure a completed survey card is submitted for every school-age child in your household, as schools receive funding for each federally-connected student.

I am encouraging every parent that works and/or lives on federal property, including DoD Civilians and contractors, to consider this their civic duty as failing to do so could result in the loss of millions of dollars in funding that benefits both our military and local students.

By obtaining a 100% return rate, schools will receive maximum federal reimbursements to compensate for the loss of tax revenue due to our federal installations being tax-exempt. In the 2022-23 school year, Hawai'i public schools benefited from more than \$46.78 million in Federal Impact Aid. In addition, Federal Survey Cards enable schools to accurately report federally-connected student enrollments. This data qualifies schools for programs and services, such as school-based Military Family Life Consultants (MFLCs) and Department of Defense Education Activity (DoDEA) grants.

If you are unsure of your "Address of Federal Property", you may refer to the backside of this memo for a listing of approved unit addresses. If you have any questions, contact the Army School Liaison Office at 808-787-5644.

Sincerely,

A handwritten signature in black ink, appearing to read "Rachel D. Sullivan", is positioned above the typed name.

Rachel D. Sullivan  
Colonel, U.S. Army  
Commanding
