\*Data provided only includes scores of students currently enrolled at KES as of February 2024. Data will be updated to reflect scores of students who were enrolled at KES in previous school years, but have since moved.

**Root/Contributing cause(s):**

1A - varying knowledge of how to examine data regularly and accurately to inform next steps for struggling learners  
1B - varying levels of implementation of ELA/Math/Science standards-based curriculum, instruction, assessment, and/or grading practices

2

**Student Need:** Improve students' ability to apply their knowledge and skills in a range of situations [Related to WASC 2025 Self-Study Major Student Learner Need #2]

**Panorama Student SEL Survey (administered three times annually):** Percentage of students positively responding to questions on the Self-Efficacy portion of the SEL Survey has increased, but is consistently lower than other areas of SEL Survey. Questions include:

- How sure are you that you can complete all the schoolwork that is given to you?
- How sure are you that you will remember what you learned in your current classes, next year?
- How sure are you that you can learn all the subjects taught in your classes?
- How sure are you that you can do the hardest schoolwork that is given to you?
- When complicated ideas are discussed in class, how sure are you that you can understand them?

## APPENDIX A: SCHOOL BELL SCHEDULE

Pursuant to [Hawaii Revised Statutes Section \(HRS\) 302A-251](#), as well as the current Hawaii State Teachers Association collective bargaining agreement, all Hawaii public schools must establish school schedules (including teacher work year, teacher schedule, and bell schedules) that meet student instructional hours and school year requirements. **However, in certain circumstances, a preferred bell schedule may not comply with existing regulations and will therefore require a School Community Council (SCC) waiver, effective for up to one school year.**

This section showcases Kapolei Elementary School current bell schedule(s) and total student instructional hours per year. To ensure the appropriate number of instructional hours and school year requirements are being fulfilled, schools are encouraged to utilize the provided [bell schedule tool](#).

**Total student instructional hours per year** *(Per HRS 302A-251, all public schools, excluding multi-track public schools, shall implement a school year that includes 1,080 student instructional hours)*

1,095

**Did your school submit a SCC Waiver Request Form? Please explain.**

Yes, SCC Waiver Request Form was submitted to request three days in SY2025-2026. These days will be used to provide professional development and collaboration time for teachers.
