IDENTIFIED SCHOOL NEEDS

Academic Plans require the identification of school needs based on data and other information analyzed as part of the school improvement process. The **Comprehensive Needs Assessment (CNA) Data Workbook** (linked [here](#)) and **Lei Kulia** (linked [here](#)) are data resources to help guide and support continuous school improvement.

This section highlights the critical student learning needs that require immediate attention for improvement, student subgroup(s) achievement gaps, and root/contributing cause for those needs and gaps, as identified in one or more of the following:

- ☒ [Current CNA](#)
- ☒ Other current assessment/self-study report: April 22-25, 2024 [LINK TO SELF-STUDY](#)
- ☒ Current Western Association of Schools and Colleges (WASC) report

Year of Last Visit: 2025

Type of Last Visit: Full Self-Study -

Year of Next Action: 2026-2027

Type of Next Action: Mid-Cycle Report & Visit -

Year of Next Self-Study:

TBD

Please identify **critical student learning needs** and the **root/contributing cause** why these needs have been prioritized.

"What should we prioritize to support our students and help us become the school we aspire to be? Why is this happening? What do we know?"

Please number the student need and root/contributing cause for ease of cross-referencing.

1	<u>Student Need:</u> Increase student proficiency achievement in ELA, Math, and Science <u>Root/Contributing Cause:</u> 1A: KES needs to use diagnostic data in Reading and Math to drive differentiated instruction. 1B: KES needs more integration of cross-curricular content to include subjects such as Math, Reading, Science, and Social Studies 1C: KES needs to monitor student achievement through standards-based common grade level assessments. 1D: KES needs to revisit our Essential Standards and revise common grade level assessments and the standards proficiency rubrics. 1E: KES teachers need to provide timely and effective feedback to students to promote student growth and achievement.
2	<u>Student Need:</u> KES needs to improve the quality of Engagement/Involvement, Well Being, and Safety for students, parents, and teachers <u>Root/Contributing Cause:</u> 2A: KES needs to continue to provide students with real world experiences, such as field trips, to apply content to our real world. 2B: KES needs to continue to provide extra-curricular programs to provide enrichment opportunities. 2C: KES needs to continue to provide school and community events where families can come and engage in activities with our students.

	2D: KES needs to continue to provide a communication platform that translates to more languages spoken by our families than our current mode of communication (Seesaw). 2E: KES needs a schoolwide protocol for leadership and well-being that students, parents, and teachers can participate in. 2F: KES needs to repair/update facilities such as but not limited to peeling paint, termite damage, repair flooring, air conditioning (A/C abatement), drinking water/refill stations, water pipes. 2E: KES needs a shaded outdoor area for students, parents, and teachers to use for outdoor engagement opportunities.
3	<u>Student Need:</u> Improve school wide routines and procedures <u>Root/Contributing cause(s):</u> 3A: KES needs to continue to improve their system for requesting, purchasing, and receiving instructional resources in a timely manner and improve communication to teachers if resources will be delayed or are unavailable. 3B: KES needs to continue to ensure dedicated time for data teams to disaggregate growth score data.
4	<u>Student Need:</u> Improve intervention and specially-designed instruction <u>Root/Contributing cause(s):</u> 4A: KES needs to ensure that students with disabilities receive specially-designed instruction based on their IEPs. 4B: KES needs to ensure intervention plans are implemented, monitored, and revised if necessary.
5	<u>Student Need:</u> Provide Professional Development opportunities for teachers <u>Root/Contributing cause(s):</u> 5A: KES needs to continue differentiating professional development for teachers to ensure all teachers are able to provide authentic student engagement opportunities during instruction. 5B: KES needs to continue differentiating professional development for teachers to ensure all teachers are able to use diagnostic data to provide targeted, differentiated instruction for all students.

To address student subgroup(s) achievement gaps, please list the **targeted subgroup(s)** and their **identified need(s)**. Enabling activities should address identified subgroup(s) and their needs.

1	<u>Targeted Subgroup:</u> Students who qualify for IDEA services. <u>Identified Student Need(s):</u> All students eligible for IDEA services need a high-quality, data-driven IEP and need to master all of their annual goals and objectives by the end of the fourth quarter reporting period.
2	<u>Targeted Subgroup:</u> Students who are English learners. <u>Identified Student Need(s):</u> All students who qualify for English language services and support need to meet or exceed their individual learning targets.
3	<u>Targeted Subgroup:</u> Students who are economically disadvantaged, have limited English proficiency and/or disabilities and are classified as "high needs." <u>Identified Student Need(s):</u> KES needs to close the achievement gap between students with high needs and their non-high needs peers.

APPENDIX B: BELL SCHEDULE

Pursuant to [Hawaii Revised Statutes Section \(HRS\) 302A-251](#), as well as the current Hawaii State Teachers Association collective bargaining agreement, all Hawaii public schools must establish school schedules (including teacher work year, teacher schedule, and bell schedules) that meet student instructional hours and school year requirements. **However, in certain circumstances, a preferred bell schedule may not comply with existing regulations and will therefore require a School Community Council (SCC) waiver, effective for up to one school year.**

To ensure the appropriate number of instructional hours and school year requirements are being fulfilled, schools are encouraged to utilize the provided [bell schedule tool](#).

Total student instructional hours per year <i>(Per HRS 302A-251, all public schools, excluding multi-track public schools, shall implement a school year that includes 1,080 student instructional hours)</i>	1,098
