Federal PR/Award Number: V002A240011

Project Title: Adult Education and Family Literacy Act State Grant

Awarding Agency: US Department of Education

[Grant Award Notification \(GAN\)](#): Refer to the GAN and attachments for a complete description of the federal requirements for receiving this budget allocation.

Important Administrative Information from the GAN:

Under the "tydings amendment," section 421(b) of the general education provisions act, 20 USC 1225(b), any funds that are not obligated at the end of the federal funding period specified in block 6 of the GAN shall remain available for obligation for an additional period of 12 months.

This grant award is issued pursuant to the grantee's approved State Plan under the Workforce Innovation and Opportunity Act (WIOA).

2 CFR 200.307 applies to this award, which allows State grantees under the Adult Education and Family Literacy Act (AEFLA) to earn program income. 2 CFR 200.1 defines "program income" generally to mean "gross income earned by the non-Federal entity that is directly generated by a supported activity or earned as a result of the Federal award during the period of performance..." Ordinarily, program income is deducted from total allowable program costs, and all program income, except for tuition and fees charged to students and employers earned by a subgrantee under this award, must be so deducted. A local subgrantee charging reasonable and necessary tuition or fees to students and employers may use that income to provide additional adult education and literacy services that it would otherwise be unable to provide. Program income from tuition and fees must be (1) governed by the terms of the agreement between the State grantee and the local subgrantee to which the State provides federal funds, (2) accounted for in program records, and (3) used only for costs allowable under AEFLA. Also applicable to this award is 34 CFR 76.534, which provides that States and subgrantees may not count tuition and fees collected from students toward meeting federal matching, cost-sharing, or maintenance of effort requirements related to this award. Moreover, States must ensure that fees charged to students participating in an adult education program that receives federal support are equitably administered and do not reach levels that have an adverse effect on the participation of economically disadvantaged students.

Regulations that apply to this award: [CFR PART 34](#), EDGAR as applicable, [2 CFR Part 200](#) as applicable, specific program regulations (if any), and other titles of the CFR that govern the award and administration of this grant.

AEFLA funds are distributed to the community schools for adults to provide AEFLA services defined in 34 CFR Part 463 and shall be expended in accordance with the AEFLA state director-approved budget plans for this grant aligned to the Hawaii Unified State Plan. Expenditures not included in the approved budget plan require approval from the AEFLA state director.

AEFLA funds cannot be used for high school equivalency test fees, such as the GED and HiSET. AEFLA funds can be used to purchase GED and HiSET high school equivalency practice tests as instructional materials in a class.
