

NetSmartz

NetSmartz is the National Center for Missing & Exploited Children's (NCMEC) online safety education program. It provides age-appropriate videos and activities to help teach youth to be safer online, help children become more aware of potential online risks, and empower them to help prevent victimization by making safer online and offline choices.

The general description of the curriculum was adapted from information provided on the publisher's website.

Opt-Out Process

A student shall be excused from sexual violence prevention instruction only upon the prior written request of the student's parent or legal guardian. A student may not be subject to disciplinary action, academic penalty, or other sanctions if the student's parent or legal guardian makes such written request.
