Eligibility Exceptions

If your student does not meet the eligibility requirements, exceptions can be made on a space available basis. This is not a guarantee.

Parents/guardians who wish to apply for space available bus service must submit the **Request to Ride the School Bus on a Space Available Basis (Form CS-101)** with their school bus application on a **quarterly basis**.

Once the quarterly application period has closed, the request form will be reviewed by school administration. If seats are available at that time, the request will be sent for final review by the district transportation officer. Please understand that students will be assigned to the closest, existing stop. New stops will not be added to the existing route.

Until **both** the CS-101 form **and** bus application **are approved and paid for**, parents/guardians are responsible for their student's transportation arrangements.

This process may take between 4-6 weeks so please plan accordingly.

APPLICATION PROCESS

1. "Application for Student to Ride School Bus School Year 2026-2027" (Form ST-70) are available at your school where bus service is available, or online

<https://hawaiipublicschools.org/school-services/eligibility-applying/>

2. Complete **BOTH SIDES** of application form; indicate the type of service and payment in Part III of the application. Submit application to the school for processing.

3. Students applying for free bus transportation shall complete Part IV of the application and indicate the reason(s) for eligibility.

4. You will be notified of approval or disapproval of your bus application:

- Manual Applications – school will notify family either by email and/or phone call
 - Online Applications – email notification via EZSchoolPay upon school review and processing.
- Due to high volume, this process may take up to 2-3 weeks.

5. Your child will be issued a temporary bus pass to use until the permanent pass is available. Please have your student check in with the office staff to receive their permanent bus pass card. The temporary bus pass must be surrendered upon receipt of the permanent bus pass card.

Bus passes are non-transferable and are valid only during the assigned Quarter and Route.

PAYING FOR BUS SERVICE

For manual applications, payment for quarterly bus service is accepted after the application is approved. Payment must be processed prior to the start of service.

NO PERSONAL/BUSINESS CHECKS.

For online applications, you will receive an email notification to pay via EZSchool Pay once the application has been approved by your school. This process can take up to 48 hours.

There will be **NO REFUNDS** for bus service payments.

RIDING THE BUS

Students are expected to display their bus pass to the bus driver upon demand as proof of valid application approval. Bus drivers may deny service to any student attempting to ride without proof of application approval.

Failure to do so may result in disciplinary action and service disruptions as follows:

Elementary and Middle School Students who fail to display a valid bus pass in the mornings will be transported to school and reported to school administration. Students who fail to display a valid bus pass in the morning are expected to obtain a temporary pass from the school office **PRIOR TO THE END OF SCHOOL** before boarding the bus. Parents/guardians may be contacted to pick up their student if this has not been done by the end of the school day.

Repeat offenders will not be permitted to board the bus

High School Students who fail to display a valid bus pass in the mornings upon demand may be refused a ride to school. Students who fail to display a valid bus pass in the mornings are expected to obtain a valid temporary pass from the school office **PRIOR TO THE END OF SCHOOL** before boarding the bus. **Repeat offenders will not be permitted to board the bus.**

Fraud – Students who attempt to fraudulently use an expired bus pass or a bus pass that does not belong to them will have the bus pass immediately confiscated. Bus rider privileges may be suspended upon notification of school administration.

Lost Bus Pass – There is a **\$5 fee** to replace a lost, stolen or damaged bus pass for ALL students. All student fees accumulated and associated with school bus service are the responsibility of the family and must be paid in full to continue utilizing school bus service.

Video Cameras and GPS Tracking

HIDOE is committed to ensuring your child's safety, health and well-being at all times. To that end, parents/ guardians are advised that HIDOE utilizes video cameras and GPS tracking devices on all of its school bus vehicles statewide. Guidelines on the restricted use, application and retention of video surveillance files and vehicle tracking files can be obtained by contacting your school administration.

BEHAVIORAL EXPECTATIONS

Students who misbehave on the bus pose a serious health and safety risk to all passengers and are therefore subject to disciplinary action by the school principal in accordance with Hawai'i Administrative Rules (HAR), Chapter 19. When an incident occurs, the bus driver is required to report it to the school principal within two (2) school days. The principal will conduct an investigation of the incident and notify you of the outcome.

If your student is precluded from riding the bus due to disciplinary action, you will not receive a refund for the unused portion of the bus pass.

The Passenger Safety Code (see page 5) is a set of rules that all bus riders are expected to comply with before, during and after the ride. Please discuss these rules with your child.

BUS STOP INFORMATION

Parents/guardians can find bus stop information online at <https://www.hawaiischoolbus.com>. Click on the state of Hawai'i on the map, then click on Hawai'i Department of Education. Enter your home address and zip code to find the bus stop locations and pick up times closest to your residence.

If no bus stop locations are listed for your school, please contact your school office.

HIDOE highly recommends a responsible adult be present at the bus stop in the morning and in the afternoon for children 10 and under. Bus drivers are not responsible for matching each child with a specific adult at the bus stops. It is the responsibility of the parent/guardian to ensure a responsible adult is at the bus stop or make alternative arrangements for their child if they are unable to walk alone to and from the bus stop.
