# The Steven A. Cohen Military Family Clinic at Child & Family Service

★ Therapy for Veterans and Military Families ★

## ★ WHO WE TREAT ★

### ★ VETERANS:

Post-9/11 veterans who have served in the United States Armed Forces, regardless of role while in uniform, discharge status or combat experience. This includes the National Guard and Reserves.

### ★ MILITARY FAMILIES:

Family members of veterans and active duty service members including parents, siblings, spouses or partners, children, caretakers and other family members as defined by the veteran or service member.

## ★ OUR CARE ★

- We offer high-quality, customized therapy for a variety of mental health challenges including anxiety, depression, PTSD, transitional issues and relationship concerns.
- Our skilled clinicians and staff are culturally competent and aware of the issues faced by veterans and their families.
- Our care is confidential and private. We will not share your information with any public, private or government entities unless required by law.

**Get care without having to visit the clinic. Telehealth is face-to-face video therapy that allows clients to have appointments in real time through confidential video conferencing.**
