

Supplemental Kindergarten Enrollment Form

Early Learning Experience

Complete for Incoming Kindergarten Students Only

The Hawaii Department of Education is required to collect Early Learning information on its incoming kindergarten students. The data in this form will help to identify students who have participated in an Early Learning program prior to beginning their K-12 education.

Hawaii law requires a physical examination within the twelve months before a student's first date of attendance at a Hawaii school, including preschool, per HRS §302A-1159. The Early Learning program location and attendance dates from this form may be used to determine if a student has met this requirement.
